

Our Ref: D&T\2025 VC

Thursday 25th September 2025

**AUDIENCE: Y7 STUDENTS**

**ACTION REQUIRED BY: 4<sup>th</sup> October 2025**

**1. MAKE SCOPAY PAYMENT**

Dear Parents,

### **D&T REQUEST FOR CONTRIBUTIONS**

We are excited to welcome your child to the Design and Technology (D&T) department this academic year. As part of our engaging and hands-on curriculum, Year 7 students will participate in a variety of creative and practical projects across different areas of D&T (excluding Food Technology).

This year, the projects include:

- Timber Project - Designing and making a grabber/litter picker.
- Electronics Project - Creating a working night light.
- Textiles Project - Designing and sewing a stuffed monster using felt.
- Graphics Project - Developing design skills using paper and card resources.

To help us provide high-quality materials and ensure every student can fully participate in these exciting activities, we are kindly requesting a voluntary contribution of £10 for the year. This will cover the cost of all materials used in the above projects.

Please note that this contribution is entirely voluntary, and no student will be excluded from any activity based on their ability to contribute. However, your support will make a significant difference in maintaining the quality and breadth of our D&T provision.

Payments can be made via Scopay.

Thank you for your continued support of our department and your child's learning.

Yours sincerely,

Mr Chris Elsey  
Head of Design and Technology
