

27th February 2026

Dear Parents & Carers,

YEAR 8 OPTIONS INFORMATION EVENING

The Year 8 Options Information Evening is fast approaching and we're gearing up to welcome everyone next week. Following on from my letter before half term, please find both below and attached a variety of options related information that should prove useful in the coming weeks.

The Options Book is included as your main point of reference for all information regarding potential option subjects and the options process.

A pre-recorded presentation is included that will also be delivered live at 5.30pm next Thursday 5th March in our New Hall.

A CPS map with option subjects rooms is also included to allow you to familiarise yourself with the campus and for you to review in advance of Thursday.

Year 8 Options Information Evening details:

- The event will run from 5.00pm - 7.00pm. During this time you will be able to visit the various subjects and ask any relevant questions that you may have. Subject staff will be on hand to support and offer guidance relating to option subjects.
- Senior staff will be on hand during the evening in our foyer should you have any overarching options related questions.
- All visitors are required to sign in and out via main reception.
- Unfortunately, there is no parking on site.
- No fire evacuation scheduled for the evening. However, in the event of a continuous bell sounding, please make your way to the assembly point (playground) which is highlighted on the map.

I hope you find the related information useful and look forward to welcoming you to the school next week.

Yours sincerely,

Mr O Borkowski
Deputy Headteacher
