

## Introduction

Parents can register for a myEVOLVE account/app, which allows them to easily view all upcoming trips their child has signed up for and access any related information.

Please note that parents who choose not to create an account will still receive all trip communication and will still be able to apply for a place on any trip.

Additional information such as letters, packing list, trip information evening PPT etc., can be viewed by clicking on the trip name in a 'List View'.

The myEVOLVE app can be downloaded from the Apple Store or Google Play Store on the smart phone.
